CHALLENGE JET-LINER PROUD TO BE ARMENIAN

Following 24th April commemorations, CVSTOS CEO, Sassoun Sirmakes, of Armenian descent launch a commemorative and Limited Edition of 100 watch to mark the 100th Anniversary of the Armenian Genocide. A donation will be made to an Armenian Foundation which helps children and families in need. From 1915 onward more than 1.5 million Armenian were victims of the atrocities committed during this Genocide so it comes not only of personal interest to Sassoun Sirmakes but also of historical importance for the international community to recognize the Armenian Genocide.
