## Swiss timing for Paris-Saint-Germain (PSG)

New partner of the club since the beginning of the year, the brand has benefited from the success of the Coupe de France in Paris against Monaco (1-0) to offer, with club officials, a watch engraved with each player and staff name.

For their success in the Coupe de France final against Monaco (1-0) Saturday, Parisians have each received their game bonus and a luxury watch from Swiss brand Cvstos. The thirty watches, limited edition, was bought by the club leadership. They are all engraved with the names of players and coaching staff.

PSG has established and raised a trophy he cherished. After 1982, 1983, 1993, 1995, 1998, 2004 and 2006, the capital club wins its eighth Coupe de France and valid at the same time its ticket to the European League.

On the occasion of the league match against Valenciennes (2-2), the brand appeared on the back of the shirts at the Parc des Princes in Paris to an audience delighted to see the Coupe de France back in Paris.
